Sarah,

Per our discussion yesterday, attached please find a clean and a redline version of the draft removal AOC for discussion during tomorrow's meeting. We did give our Group members until close of business today to provide comments but the key issues are addressed in the attached.

Regards,
Karyllan

Bill,

Would you mind if we moved the start time of the meeting tomorrow to 10 am? We are running into scheduling issues on this end and 9:30 is very tight for us.

If that won't work for you, we'll make do with 9:30 am -- which was after all the time that I suggested.

Thanks.
